Criminal No. **06-30067-GPM**

**REPORT AND RECOMMENDATION**

The United States of America and the Defendant having both filed a written consent, appeared before me pursuant to Federal Rule of Criminal Procedure 11 and SDIL Rule 72.1(b)(2). The Defendant entered a plea of guilty to Counts 1, 2 and 3 of the Indictment. After cautioning and examining the Defendant under oath concerning each of the subjects mentioned in Rule 11, I determined that the guilty pleas were knowing and voluntary as to each count, and that the offenses charged are supported by an independent factual basis containing each of the essential elements of such offenses. Defendant was fully cognizant of the enhanced potential sentences under 21 U.S.C. §§ 841, 850 and 851. I therefore recommend that the pleas of guilty be accepted, that a presentence investigation and report be prepared, and that the Defendant be adjudicated guilty and have sentence imposed accordingly.
